

First Time Sunday School Visitors

We are so excited that you are planning to bring your child to Sunday School for the first time. You are always welcome at Christ Lutheran Church.

Frequently Asked Questions:

Who can attend? Christ Lutheran holds Sunday school for children 3 years old up through 6th grade. Please register your child so you can receive information about Sunday school through email. Registration forms are available on the church website.

When is Sunday School?

9:30 service --- All children will start out in church with their families. When you arrive at church, please sign the children in on the appropriate age sign-up sheet in the narthex. After the children's message the children will be excused to Sunday school down the back stairs behind the

altar. There will be an adult to escort them down. Feel free to escort your children if they or you are nervous, etc. You can go up the other set of steps as to not interrupt the service. Please pick up and sign out your child(ren) in their classrooms in the basement after the church service.

Parents are welcome in any of our programs. If your child is reluctant to attend, please feel free to stay as long as necessary for your child to feel comfortable in the new setting

Where? Christ Lutheran Preschool classrooms in the lower level of church and upstairs youth room for grades 5/6

Why Sunday School?

Children become more familiar with Bible stories that tell the story of God's love for us!

Sunday School is also a great way for children to build relationships with other people at church. They build relationships with other people their age and with adults. Its always nice to go to church when you are going to see people you look forward to seeing and they look forward to seeing you!

Cost?

There is no cost for Sunday School or the materials. We do ask for donations of supplies from time to time.

Offering?

Every Sunday the children will have the opportunity to contribute to our offering. The offering will be going to Pueblo De Dios (a Lutheran church in Compton, CA we sponsor) for their Cash for Crops food distribution program.
